

1. The first part of the document is a technical drawing of a mechanical device. It shows a cross-section of a device with a motor (7) at the top, a shaft (3) passing through a housing (1), and a torque transducer (6) at the bottom. The device is mounted on a base (2). The drawing is labeled with numbers 1 through 7. A dashed line indicates the torque transducer (6) is connected to the shaft (3). The word 'Torque' is written in a box next to the dashed line. The drawing is a technical drawing of a mechanical device.
